INDUSTRIAL VISIT REPORT: WESTERN RAILWAY SIGNALLING DEPARTMENT, NANDURBAR

The MKD Institute of Technology conducted an industrial visit for its Diploma and B.Tech students to the Western Railway Signalling Department, Nandurbar. A total of 128 students, accompanied by six faculty coordinators, participated in this educational trip aimed at providing hands-on experience in railway signal operations and safety mechanisms.

The Western Railway section, originally constructed in the late 19th and early 20th centuries, has a rich history. The Tapi Valley Railway was a significant milestone, with its broad-gauge tracks and important infrastructure such as bridges over the Bori and Gima rivers.

MKD INSTITUTE STUDENTS GAIN HANDS-ON EXPERIENCE IN RAILWAY OPERATIONS

Students from MKD Institute of Technology participated in an industrial visit to the Western Railway Signalling Department in Nandurbar. Organized for Diploma and B.Tech. students, the visit aimed to provide practical insights into railway signaling and train management systems. The event, which included 128 students and six faculty members, was praised for its educational value and contribution to technical skill development. Students expressed gratitude for the opportunity and hope for more such experiences in the future.

FRESHER'S PARTY CELEBRATION

Every student eagerly awaits right from their time of admission for their most remarkable event of the college "FRESHER'S PARTY". The 05th of October 2024 was a memorable day in the life of every fresher of the academic year 2024-2025 batch at MKD Institute of Technology, Nandurbar. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students were welcomed with so much of enthusiasm which was organized by MKD Institute of Technology.

As a trend of the institute, the party was started by lighting the lamp and worshipping the image of Goddess Sarasvat, which is considered as very sacred and symbol of Knowledge. Mr. Sunil Nikumbe, Deputy Manager (HR) of Suzlon Energy Pvt Ltd was present as the chief guest. Also, his colleague Mr. Sunil Navadekar Deputy Manager (Site in charge), Dr. Kamlesh Patil Senior Manager was present. The principal of the college welcomed the students and wished them for their bright future after which the chief guest guided the students on Orientation on Wind Energy. On this occasion, the director, principal, head of department, teachers were present and graced the program.

MKD INSTITUTE EXPLORES LEGACY OF DR. PUNJABRAO DESHMUKH

A guest lecture on the "Relevance of the Thoughts of Dr. Punjabrao Upakhyas Bhausaheb Deshmukh in the 21st Century" was held at MKD Institute of Technology, attracting 250 attendees. The event featured Prof. Sachin Bhutekar from Shri Shivaji Arts, Commerce, and Science College, Akola, who highlighted Dr. Deshmukh's enduring contributions to agriculture, education, and social reform. Key discussions included sustainable farming practices, rural development, and education as a tool for societal change. The session concluded with a lively Q&A, where participants explored the application of Dr. Deshmukh's principles in contemporary challenges. The event emphasized the timeless relevance of Dr. Deshmukh's vision, inspiring attendees to apply his ideals in modern contexts.

SEMINAR ON OPPORTUNITIES IN SOFTWARE ENGINEERING

The MKD Institute of Technology organized a guest lecture on "Opportunities in Software Engineering," featuring Mr. Tushar Sharma, Senior Software Engineer at Tredence, Pune. The two-hour session, attended by 250 students and faculty members, offered insights into the dynamic field of software engineering.

INDUCTION PROGRAM FOR NEW STUDENTS

The MKD Institute of Technology successfully organized an Induction program aimed at equipping new students with essential tools and knowledge to excel academically and personally. The program featured sessions on mental health, digital literacy, and career guidance, led by expert speakers and faculty members.

DIGITAL LITERACY WORKSHOP

As part of the Induction program at MKD Institute of Technology, a comprehensive digital literacy session was conducted by Prof. Sunil More. The event aimed to equip students with the essential skills necessary to navigate the rapidly evolving digital landscape.

MENTAL HEALTH AWARENESS

Dr. Pravin Dongare emphasized the importance of mental health in maintaining overall well-being. Discussions included coping strategies for stress and anxiety, promoting awareness to reduce stigma, and tips for achieving work-life balance. Students were encouraged to seek help when needed and adopt a positive approach to mental health.

DIGITAL LITERACY ESSENTIALS

Prof. Sunil More highlighted the growing significance of digital literacy in today's technology-driven world. Topics included digital communication, online safety, critical evaluation of information, and staying updated with emerging technologies. Students were guided on navigating the digital landscape professionally and securely.

ORGANIZATIONAL EFFORTS

A dedicated team of faculty and staff coordinated the event under the leadership of Program In-charge Mr. Hitesh Tamboli. Committees were formed for logistics, hospitality, media, and discipline, ensuring smooth execution of the program. Guest speakers included professionals such as Mr. Shubham Chaudhari and Mrs. Prachi Mali.

GUEST LECTURE: TACKLING ADDICTION AND STRESS MANAGEMENT

MKD Institute of Technology hosted an insightful guest lecture on addiction recovery and stress management, attracting 100 students and faculty members. Delivered by Mr. Manak Chaudhari, President of the Sane Guruji Mitra Mandal, the program aimed to raise awareness about addiction's challenges and the importance of mental health. The session also introduced practical stress management techniques, including mindfulness, meditation, and lifestyle improvements. Interactive exercises engaged participants, providing actionable strategies for mental well-being.
